THIS MONTH'S TEA: HOT CIDER HONEYBUSH

Our tea this month is a South African honeybush tea with cinnamon, licorice root, chamomile, orange peel and apple pieces.

Like the September tea, honeybush is a South African tea that has traditional medicinal uses. Its name came from its reputation of having a mildly sweet, honey-like taste.

This tea does not contain caffeine.
It was purchased at Jolie Tea in Salem.

INTRODUCING HOOPLA...

A new service available to Peabody Library card holders is Hoopla. Hoopla provides downloadable digital content, including e-books, audio books, comics, music, movies and television shows. Unlike Overdrive, Hoopla materials are always available. Patrons have 10 downloads a month. To access Hoopla go the library website:
