

MBLC Hotspot Lending Agreement

1. Hotspot borrowers must be 18 or older and in good standing with the library.
2. Each MBLC hotspot case contains a T-Mobile Franklin T9 Mobile hotspot, a micro-USB charger and an information card. All components must be returned in person at the main library.
3. Hotspots are filtered by default using T-Mobile's content filtering for education. Hotspots automatically block the sites with inappropriate content such as hate speech, violence, hacking, illegal drugs, mature/explicit, spam and spyware. Borrowers may request that hotspot filtering be disabled when borrowing or reserving a device. The library will not ask for a stated reason.
4. The loan period is two weeks with 1 renewal.
5. Borrowing privileges will be revoked and the hotspot will be disabled if not returned within 7 days of the due date.

By signing below, I agree to the statements above.
