November 2017

Dear Friends:

Even in difficult times, the Peabody Institute Libraries continue to offer some of the best programs and services in the area. With this in mind, the Friends are again selling beautiful poinsettia plants for the holidays to provide support for library programming. We hope you will consider making a purchase. For your convenience the order form is below. If you are not interested in placing an order, we hope you will consider making a donation.

We appreciate all that you do for the library. Thank you for your continued support.
