Getting started with Libby

Libby is made possible by your local library and built with ♥ by OverDrive.

The Libby app is the easiest way to get started with digital books, audiobooks, and magazines from your public library!

1

Install the Libby app from the app store on your Android, iOS (iPhone/iPad/iPod touch), or Windows 10 device.

2

In Libby, follow the prompts to find your library and sign in with a valid library card.

3

Browse your library's collection and borrow a title.

4

Borrowed titles appear on your **Shelf** and download to the app automatically when you're on Wi-Fi so you can read them when you're offline.

From your **Shelf**, you can:

- Tap **Open Book**, **Open Audiobook**, or **Open Magazine** to start reading or listening.
- Tap **Manage Loan** to see options like **Renew**, **Return**, or **Send to Device** to send a book to Kindle (U.S. libraries only).

Happy reading!

If you can't get Libby on your device, you can try using the original OverDrive app.
