YOUR SUPPORT MATTERS

- 100% of the funds raised by the Friends is used to support the Peabody Institute Libraries
- The Friends sponsor free or discounted admissions to 14 different museums across the state
- The Friends fund programming for adults, children, teens and all ages together, encouraging creativity, lifelong learning and literacy

DID YOU KNOW?

The Peabody Library offers all of its programs for free, but has no separate programming budget.

Without the support from the Friends, the library would not be able to offer its robust schedule of diverse programs.

You can help keep the library's programs going by becoming a member!

DO YOU:

- Believe that library resources should be free to all?
- Enjoy what the library offers and would like to see it continue?
- Believe that the library is an important part of your community?
- Feel that adult programming is an opportunity for lifelong learning?
- Feel programming for children and teens is an important way to support the City's youth?
